1

The Texas Legislature requires this language.

BUT because AISD had voted to **reduce** the current rate by 8 cents, the net result for AISD households will be a **tax decrease**.

2

Voting '**FOR**' gets the tax **decrease** **AND** unlocks **\$10 million** annually for AISD from the **STATE**.

3

Remember, because AISD voted for a previous 8 cents tax decrease, even this rate results in a **net decrease of our current tax**.

4

With the decrease, this shifts the \$3+ million to AISD's Maintenance & Operations Fund to teachers' salaries, teacher retention, classroom resources, student programs, etc. **AND unlocks \$10 million annually** for AISD.

A Vote FOR

from the state **IN AISD**
